LOGISTICS

I will need to be updated with the wedding timeline and details of the planner and vendors booked for the wedding. If another wedding photographer has been booked, please let me know so we can coordinate. It would be great to arrange with your planner a seated table on either far sides of the venue for me and my team to use throughout the wedding.

INSPIRATION

I would love if you can share references of how you want the day to be including the important shots you would like to have covered. Feel free to share a Pinterest inspiration board and/or key members of your family/friends that you'd like to be focused on.

Please also let me know if you prefer not to share any of your photos on Instagram before the wedding day.
